

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

Autumn Term Newsletter 6

Headteacher: Mrs Z Humberstone

Friday 11th October 2024

Our school values the relationship it holds with children and their families, as well as the wider community, and actively seeks to provide opportunities for these relationships to flourish. We seek to involve parents and carers in their children's learning and education by sharing information about the curriculum that they are participating in.

If you scroll down our Facebook page this term you can see just how our children's learning has been enriched through their experiences in the local community... the awe and wonder this creates is a great way to help our children know and remember more...

Our Harvest Festival will be held on Thursday 17th October at 2pm.

It will be held at All Saints Church Tealby.

Everyone is welcome to join us.

Any food contributions for the local Salvation Army Food-Bank in Market Rasen will be greatly appreciated. These may be sent into school or taken directly to the church on your way into the Harvest Assembly.

What have you done to feel proud?

Every day I am visited by a pupil who has earned a positive purple slip, but I can't remember the same person coming twice in a few days!

Well done Hattie – you are amazing!

Polling Day

We can't wait to meet our new Class Ambassadors! The air has been filled with the hum of speeches these last two weeks: children from Reception to Year 6 have shared with their classes the reasons why they deserve the vote!

You could definitely feel the excitement today.

Catch up with us on Facebook...

For Parents - My Family's Digital Toolkit
There are so many really good resources out there for parents/carers about how to help keeping children safe online, but it can quickly become really overwhelming.

Internet Matters has a really great resource for parents called My Family's Digital Toolkit. This is a personalised resource which gives age-specific advice, advice to deal with specific concerns, recommendations for digital tools to support

children's interests and more.
The toolkit is free and you can find more details [HERE](#).
