'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

#BeSafeBeSeen

Believe it or not, the same child is in both photos.

The only difference is how they're dressed. As we approach shorter daylight hours, whether you walk, cycle, use public transport or drive, make sure you can be seen. The brighter the better!

What have you done to feel proud?

Reception are so proud that they have started writing in their new Phonics books. They have been writing CVC words beautifully! Fantastic learning indeed!

Outdoor Learning afternoon

I had the pleasure of visiting each class on Thursday afternoon to observe their creativity in the outdoors.

The sound of pure joy and excitement filled the air and the imaginations of our children never fail to amaze me!

From mixed class team-building to create Halloween artwork, to Potion making (one to help make the school even better and one to scare the ghouls away...)

to magic and mayhem in the woods and weaving their own spider's web – what a wonderful afternoon!
