

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

At Tealby School, we strive to create meaningful connections with our families to support all of our children achieve success. Here's how communicate:

Weekly Newsletters:

Our newsletters provide timely updates on school events, important announcements, and highlights of student achievements. We work hard to ensure you're always informed about what's happening as soon as we can.

Text messaging, Emails and Letters

We use text messages and/or email, enabling families to receive quick updates, track important dates, and are able to communicate directly with teachers or the office.

Social Media & Website

Follow us on Facebook, for curriculum-updates, photos, and reminders. Our website also serves as a central hub for calendars, policies, and school resources.

Parent Meetings

Termly meetings offer valuable face-to-face interactions to discuss your child's progress, strengths, and areas for growth. Our teachers meet with many parents informally too, to discuss any matters that may arise.

Open Door Policy

Our staff team welcomes informal communication from families. We always encourage you to reach out via email, phone, or in person to share your thoughts or concerns.

Staff on the gate:

Staff are always on the gate in the morning to speak to/pass messages on to the teachers.

What we are trying to improve:

To avoid sending information regarding events at short notice

To make our texts and messages clearer, particularly with families with more than one child in school.

We believe that strong communication builds trust, deepens collaboration, and ultimately supports every child in the school. We thank you for your on-going support.

What have you done to feel proud?

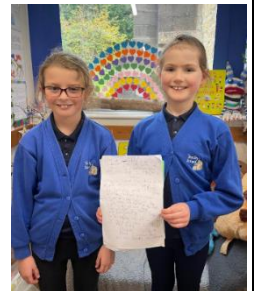

This term so many of our pupils have been inspired to write their own stories and poems; our teachers and author visits have definitely had a huge impact

across the school.

Mia, Betty and Florence are proudly holding their own books that they have been

writing at breaks and lunchtimes; they are brilliant reads!

Charlie was super proud of himself for marching in his first remembrance parade with beavers – just look at that smile!

Well done to Fred and Stan for their fantastic swimming this week! We are proud of you too!
