

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

Our Christmas Fair was a great success today – thank you to all of the families that joined us to support the children.

The children's learning in Art, Design & Technology and maths has

focused on this enterprise project and it was great to see their hard work all come to fruition.

Our children were brilliant and the range of stalls – festive treats, crafts and games – showed just how creative they are!

Thank You...

We would like to extend our heartfelt thanks to Ryan Gilbert for his contributions to our governing board this year. Ryan made the decision in October to step down so that he could focus on his family and two young twins. His support has greatly benefited our school community.

Ryan attended his final meeting last week, and we look forward to recruiting a new parent governor before Christmas!

What have you done to feel proud?

Harry won man of the match!

Betty, Mia and Bea have been awesome authors and mathematicians.

Bertie, Blake, and Charlotte have created

wonderful home learning projects!
