Summer Term Newsletter 5

Friday 23rd May 2025

Over the last few years, our children have worked alongside the local community to develop their understanding of biodiversity and the importance of protecting our wildlife.

To observe our children on their journey as ambassadors for our natural world is wonderful privilege and to hear that this is also witnessed by people outside of our school is just brilliant!

"I've just had my day made by your children. The usual 4pm small group of them rushed over to me, some wanting to show me the maple tree 'alien' and for me to show them the caterpillars. One boy spotted the yellow rattle and told me exactly why it is called that and what would happen to the seeds. They were so excited to be able to name some of the flowers and the others were reminding other children not to drag sticks on them! I'm so impressed with them!"
