Looking Ahead to Next Year 2025/2026

At this time of year, we naturally begin to look ahead to the next step in our learning journey. As we prepare for the new school year, this period often brings change — something that can bring about a mix of emotions for children, parents, and staff alike. We want to reassure you that every decision we make is guided by one priority: what is in the very best interests of the children.

As a small school with just four classes, we are fortunate to have enjoyed three years of stability in our class organisation. However, because the sizes of the year groups are not balanced across the school, some structural change is inevitable from time to time. This is part of the nature of being a small school community, and we approach it thoughtfully and with care.

We recognise that change can feel uncertain, but please know that we are committed to maintaining the nurturing, supportive environment that defines our school. We appreciate your trust and partnership as we plan for a successful and positive transition into the year ahead.

Who is feeling 'PROUD' this week?

Jack is feeling very proud. He won 'parents and manager's Player of the Season' at his presentation evening

Ava has been learning to play the piano whilst singing along; she is really proud of how well she is doing. This is amazing Ava, well done!

Tealby School VALUES: Inspiration and Compassion.

Noah has been inspired to make a positive difference in the lives of homeless people.

Motivated by his curiosity and compassion, he has created a thoughtful poster to raise awareness and encourage others to get involved in helping those in need. His efforts reflect a strong commitment to making our community a more caring and supportive place for everyone.

Please look out for his posters around our school
