Harvest Assembly – All Welcome!

Our Harvest Assembly will take place at Tealby Church at 2:00pm Thursday 23rd October, and everyone is very welcome to join us.

We will be collecting donations for the Market Rasen Salvation Army Food Bank, and all contributions will be gratefully received.

Please send your donations into school with your child on Thursday morning

Thank you for your generosity and support at this special time of year.

Who is feeling PROUD, this week?

Well-done Hattie for achieving your swimming certificate – how amazing!

Another certificate for Mia this week – well done that's brilliant!

Henry earned a certificate for tackling in football – what a superstar!

Halloween Fun on the Village Green!

With half term fast approaching, we thought it would be lovely to offer

something seasonal for the children to enjoy during the holidays. One of our Village Green Working Party members has come up with a spooktacular idea — decorating the dead hedge with Halloween-themed items!

Families are warmly invited to visit the display and perhaps even make the woodland trail part of their Trick-or-Treat evening. Expect lights, spiders, cobwebs, pumpkins, and maybe even a mischievous skeleton or witch peeking out!

Come along for some spooky fun and enjoy the trail this Halloween — if you dare!

KS2: The Ice Children M.G. Leonard

Found early one December morning in the rose garden of the local park, Finn is

frozen solid and statue-like on a plinth with a mysterious rhyme carved into its base. Rushing to be by his side, his sister Bianca and their parents are at a loss to understand what has happened and, most importantly, how to rescue Finn from his icy imprisonment. As more children are found frozen, Bianca realises that there is something that links them: a mysterious, silver, shiny book. Bianca has to race against time and has to trust her instincts when all around her are dismissing her theories.

Bianca realises that Winter is in peril because of global warming and knows that she, and her generation, must act swiftly: 'We may be young, but there are millions of us on this planet. We are the future, and we can make a difference.' And so, Bianca saves the threatened Ice Queen and M.G. Leonard inspires her readers to become custodians of the Earth.
