Pupil Inspiration: Taking Responsibility Beyond the Classroom

After our Road Safety meeting last term, one of our Year 6 pupils took the message to heart in an incredible way. Completely independently, they went home and created a wonderful PowerPoint presentation to share in assembly – all on their own initiative!

How to stay safe
on the road

This thoughtful act is a shining example of how our pupils take their roles and responsibilities in our school seriously. It's not just about learning within the classroom – it's about applying that learning to real life, showing leadership, and inspiring others.

Moments like this remind us of the importance of giving children a voice and empowering them to make a difference. When pupils take ownership of their learning and the wider messages we share, the results are truly inspiring.

A huge well done to Xander for showing such dedication, creativity, and community spirit. You've set a wonderful example for others to follow!
