Playground Improvements – A Fantastic Team Effort

Our enterprising pupils have continued to make a wonderful difference to our playground, most recently with the addition of a superb new goalpost set-up.

To recap, the funds they raised have gone towards a new basketball hoop and basketballs, a new football goal and footballs, and there are even additional funds remaining to support the upcoming School Library Revamp with the purchase of new books.

We are incredibly proud of these boys for their initiative, teamwork and generosity. We would also like to sincerely thank everyone who supported this project — from donations of sand to the time and effort given to help set everything up. Your contributions have helped make our school an even better place for our pupils.
