Leadership in Our Younger Learners

Leadership is flourishing among our Year 3 and 4 pupils! From taking the initiative to protect the spring flowers as they begin to emerge, to raising awareness across the school about caring for our environment, pupils are showing real responsibility and thoughtfulness. These small but meaningful actions demonstrate a growing sense of ownership and pride in their school community.

Beyond this, pupils continue to inspire one another to plan innovative ways to raise money for causes they care about: our children are learning how to turn ideas into action.

Most importantly, we are seeing the confidence to share ideas and the courage to make things happen. These experiences are helping our pupils develop vital leadership skills—communication, creativity, resilience, and empathy—that will support them both now and in the future.

Who is feeling 'PROUD' this week?

Lula has achieved her swimming award – well done Lula we are very proud of you too!

Ollie was a superstar in this week's assembly: the theme discussed was about the release of a new Barbie doll designed to represent people who have autism; with the key Question: *does seeing yourself in a toy or story help you feel like you belong?*

Ollie helped the children to understand what Autism means to him and confidently shared his own personal experience – he was amazing!

Share your child's proud moments for our weekly newsletter highlights!

AI and Your Child: What Parents Should Know

FREE webinar

"AI: The Good, The Bad & The Ugly" to explore:
-Positive uses of AI for learning and creativity
-Risks like chatbots, filtering, and misinformation
-Practical tips for family conversations and parental controls
