As part of our work to celebrate the 100th Birthday of Sir David Attenborough, the children are being challenged to complete *100 Things to Do in Nature!* Following today's special assembly, they will be bringing home their challenge sheets.

There will be prizes for the winning entries – please see the accompanying letter for more information.

A huge thank you to the PTFA and Lincoln Zoo for generously donating the prizes!

We are delighted to welcome two new co-opted governors to our governing board: Richard Hallsworth and Sarah Woolley. Richard and Sarah bring with them valuable experience and specialisms in finance and SEND, and we look forward to the contribution they will make to our school community.

You may spot them around school from time to time, and they very much look forward to meeting families and children.

Please join us in giving them a warm welcome!
