Sports Premium 2015/2016

£8345

What is Sports Premium?

Sports Premium funding has been provided by the Departments for Education, Health and Culture, Media and Sport to directly fund Primary Schools to improve the quality of sport and PE for all their pupils. Each school receives £8000 plus an additional £5 per pupil. This money can only be spent on sport and PE provision in schools.

What is the purpose of Sports Premium?

The funding is to be spent on improving PE and sports provision, but there is freedom for individual schools to choose how it will be spent.

At Tealby School we recognise the contribution of sport and PE to the health and well-being of our pupils. We also believe that an innovative and varied PE curriculum with extra-curricular opportunities will have a highly positive impact on the concentration, attitude and academic achievement of all pupils.

How will the Sports Premium be used at Tealby School?

At Tealby the sports funding will be used to ensure that all pupils benefit and receive a varied programme of sports and PE provision. We have invested in specialist sports coaching as well as extra-curricular sports and PE outside school hours.

The funding has been used to:

- Employ a specialist sports coach for an afternoon per week to take PE lessons alongside teachers and an after school sports club.
- Pay for staff to attend professional development opportunities
- Pay for specialist sports tuition from local clubs e.g. tennis
- Pay for the use of Secondary School PE teachers and use of dedicated sports facilities one afternoon per week.
- Provide opportunities for school teams to take part in inter-school sports competitions
- Pay for replacement resources for PE and sport
- Contribute towards transport costs to and from sporting events and venues
