Aspire | Believe | Achieve

Our vision for PE, Sport and Physical Activity

All children at Tealby School will participate in and enjoy excellent physical education, school sport and physical activity that will lead to life-long participation.

What is the Sports Premium Grant?

The government has provided funding to help schools improve the quality of sport and PE for all their children.

How much is the Sports Premium Grant?

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils. For 2017/2018 this is £16,910.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The attached document shows how the funding for 2017/2018 is being allocated including how we will evidence the impact of this spend.
