A welcome from the Chair and Vice Chair.

1. Class 1 – Class 1 suggested an Easter egg hunt inside church this year, because the church is such an important part of our village and it would help them to learn about the different parts of the church too. *Action: It was agreed that we needed to speak to the PTFA and Reverend Chris to discuss this further.*

   They also suggested that it would be really helpful if we have more parents and family members coming into school with special skills, interests or talents to share them with the children. For example: Bread-making with Tamsin's mum. It was agreed that this would be a great idea for our school.
   Action: Pupils and staff to discuss further in their Class Meeting.

2. Class 2 – Class 2 would like to see if we can think about developing the playground, so that the girls can practice their gymnastics from their PE lessons safely. It was agreed that this was a good idea but it would need a lot of careful consideration. *Action: Mrs Humberstone to look in to it further.*

Tealby School Whole School Meeting

Wednesday 22nd January 2020 at 9.15am

The JOSO's in Class 2 would like to work with each year group on Safer Internet Day and they asked if this would be okay? Action: It was agreed that it would be a great idea and that JOSOs would liaise with the teachers nearer the time.

3. Class 3 - Class 3 wanted to remind everybody to be respectful when using the toilets and to be aware of everybody's needs. Everybody agreed that they would be kind and thoughtful.
   They also asked about Bike-ability and if we were going to do it this year.
   Action: Mrs Humberstone to look in to it for the Summer Term.

4. Safer Internet Day – It was suggested that the JOSO's with the support from the Ambassadors and Mr Brown, could lead an Assembly to launch Safer Internet Day. Each Class would participate in an activity led by the JOSOs and the class would learn about Internet Safety in a computing/PSHE lesson appropriate for their class/age group.

5. The issue of Parking outside the school in the morning and afterschool was discussed in the Class Meetings last week so that ideas could be shared in this week's meeting. The children were enthusiastic and extremely passionate about this and shared some very good ideas.

   - The Junior Road Safety Officers (JRSOs) Emma, Milli and Will (Y6) to meet with Mrs Humberstone and go out and assess the parking situation – they want to raise an awareness with parents and remind them how to park safely.

   - We can take it in turns to monitor and assess the parking situation – wearing Hi Viz jackets. Different children to go out a couple of times a week and have a rota through the year, so that people do not forget and return to parking unsafely.

   - They would like to write to parents and explain why it is so important to park safely. They will write to the village to (a letter in the shop/ write to Richard Askam too) as it might not always be parents that are parking on the bends.

   - We need to think about how we can encourage pupils to walk/cycle to school if possible.

   - Look into alternative places for parents to park – make sure everyone knows where these places are.

   - We could have a sign/banner outside that children can hold to give a clear message.

   -We could issue parking notices/postcards to inform people that their vehicles are parked unsafely.

   - Devise a proper campaign

   Action: Review these ideas in the class meeting and develop further in PSHE lessons. Ambassadors to feed back to Mrs Humberstone

6. Amber Y2 would like to help organise a running club. *Action: Staff to discuss and feedback.*

Tealby School Whole School Meeting
