

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

Headteacher: Mrs Z Humberstone

Autumn Term Newsletter 4

Friday 29th September 2023

This year, the school is working to improve teaching and learning in maths, so earlier this week 4 governors visited to see the maths curriculum in action.

We spent time in every class with Mrs Humberstone -the subject lead for maths- and spoke to children from Reception to Year 6 about their learning.

The children really impressed us with their clear explanations and focus. We can't wait to visit again in the Spring term to find out how things are developing!

To find out more about maths at Tealby, visit:

This week we are proud of...

This week Mrs Humberstone is incredibly proud of our Year 6 Well-being Champions.

They took part in some important training and then were able to answer questions and make a plan for how they will help the school community stay emotionally healthy this year.

They were raring to get started and have even organised their own planning meetings already - well done to you all!

Please share with parents of children due to start school in 2024.

Tealby Primary School

Aspire, Believe, Achieve
