Our school community is very special and when you step through our gate you know that you are valued – children, staff, parents, governor and visitors.

Every single day, our staff work incredibly hard, they do this because they are so invested in your children's future.

In these busy times, we understand that everyone works different hours and that sometimes you may need to write an email to school at a time that is convenient to your circumstances.

Please can we ask that you are mindful of our teachers need to have their sacred personal time in an evening or early morning and either schedule the email to be sent after 8am or not expect teachers to respond immediately on their arrival at school as this is time spent preparing the daily learning experiences for our children.

If there is an emergency or something that needs to be communicated immediately and cannot wait until the next day, please email Mrs Humberstone or

STARS & VALUES of the week

Next week, our governors will be at the school gate during pick up and drop off each day. Come and say hello and find out more about who we are and what we do!

We are looking for an enthusiastic person to join our team looking after our breakfast club after October Half term, whilst Mrs McGovern is on maternity leave.

If you are interested or would like to know more about this position, please speak to Mrs Humberstone or Mrs Carter.
