A Message from Dame Rachel de Souza, Children's Commissioner for England:

She says:

"I want to ensure that the views of all children and young people in Lincolnshire have their voices heard.

I will be using what children tell me to inform what I say to politicians and decision makers nationally.

I want to make sure that your area is fairly represented in all government decisions. Ahead of the General Election, it has never been more important for young people to have their voices heard.

By sharing this survey, you will be helping me to ensure that the voices of children in your area are heard by politicians and decision makers.

You can access the survey

As ever, I am grateful for your ongoing support."

Dame Rachel de Souza,

Children's Commissioner for England

Last week, governors visited school to speak to class teachers and teaching assistants about the Maths curriculum. We learnt about the training and support teaching staff receive and how they go about making sure that they meet the needs of all children in their classes.

By the end of the afternoon, some of us wished we were 7 again! We are extremely fortunate to have such a talented and supportive staff group.

Please take care when parking your car at the end of the school day. Please do not park on the corner of Front Street as it makes it difficult for children to cross the road safely!
