

Welcome to our Rand Farm Residential Meeting

What this exciting trip is all about...

* <https://randfarmpark.com/residential/>

The Accommodation – where you stay and sleep

Rand Farm has inter-connecting bedrooms where all the children sleep. Boys and girls have separate rooms - the adults sleep in a room either side.

The restaurant where we eat is next to our accommodation

What will we do?

With year round baby animals, children can bottle feed lambs or calves, hold new-born chicks, watch our dairy cows being milked or hand feed the many more animals in the farmyard.

We will also be able to...

- * Children will also get to travel back through time to see what life on the farm was like in days gone by; children can make butter in the buttery or spin wool on the yarn.
- * Also, to encourage children to be more green fingered, they have a vegetable patch especially for the residential group.

What will we do in the evening?

During the evenings, activities are also planned and vary from ice-cream talks and tasting (always a favourite with the children), countryside nature walks, archery and more, with plenty of recreational time at the end of a busy day to wind down and enjoy all the activities and facilities at Rand Farm Park. The trip also provides additional “hidden extras” that prove to be the greatest benefits such as team building, staying away from home in a safe environment and important social skills

Day 1...

- *Arrive at Rand Farm Park
- *Unload and get settled
- *Have a walk around to become familiar with surroundings
- *Time in the Hatchery – ‘Why do farmers hatch chickens?’
- *Lunch –
- *Adventure playground/Play-barn/Go-carts
- *The importance of Bees – honey tasting
- *Wool spinning and weaving
- *Break
- *Animal Tasks – grooming, egg collecting, feeding, allotment...
- *A three course cooked tea
- *Time in play areas
- *Showers, Warm drink, bedtime...

Day 2...

- *Farm jobs
- *Full English Breakfast
- *Why do Farmers keep Cows?
- *Butter making or Sausage making
- *Archery
- *Lunch
- *How much can you remember activity...
- *Final Playtime
- *Leave to go back to school for pick up

Questions...
