

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

A huge thank you for your generous donations today. We have raised £74 for Red Nose Day.

This morning, our children have learned why Red Nose Day is so

important in an assembly led by our Tealby Ambassadors. The children also took part in a Red Nose Hunt organised by the Ambassadors too!

Who is feeling proud this week?

Bea came into school with a huge smile on her face this week – she was so proud! Bea was awarded trophy for Dancing and I'm sure this will be one of many to come...

Governors

Safeguarding - Pupil Voice

Governors visited school last week to ask groups of children safeguarding related questions. What they discovered is children feel safe and know that adults are there to help them if they have any worries about their friends.

The children understand what bullying is, although some younger children mix it up with unkind behaviour. They say it rarely happens at school but if it does it is dealt with. The children spoke positively about the supportive culture within the school, highlighting their trust in and approachability of the adults.

The children used sophisticated vocabulary and were a pleasure to talk to!

Reminder: Medicines in School

Please remember to send all medication to the school office. Parents must complete a medication form to enable us to administer medications such as Calpol in school.

Children MUST NOT have medication or cough sweets in their schoolbags/coats/lockers.

Groak

To cast a suspicious eye over something, or to watch someone carefully whilst they are eating in the hope that they will share their food.

'Groaking' is an old scots word for the act of silently and enviously watching someone eat something delicious...
