'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

Eggtastic is next week!

Our **Eggtastic Competition** is nearly upon us... here's a

reminder of some of last year's incredible entries

[/tealbyschool/posts/](https://tealbyschool/posts/)

Please bring your entries in from Monday 25th March. Judging will be on Thursday 28th March.

Who is feeling proud this week?

Aiden is feeling really proud of himself this week because he has been trying really hard to use his words to share with his friends how he is feeling. Well done

Aiden, this is an important skill to learn.

Evelyn continues to be 'awesome' at football too, with another certificate

to take home!

A positive purple slip for Amber too, for her excellent annotations on her reading comprehension work – well done Amber!

Weekly Updates

With the update in mind, Childline have released some new posters for Primary schools to encourage children to contact Childline. This is a wonderful way to get the message out there that there is someone they can talk to if they can't talk face to face.

FREE SWIMMING LESSONS

We are very pleased to announce that Market Rasen C of E Primary School and JB's Sports

Coaching will be putting on an Easter swimming programme. The programme will provide a fantastic opportunity for all children in the local area to receive swimming lessons **free of charge** during the Easter holiday and will be suitable for primary school children of all ages and swimming ability. This programme is supported by the Opening Schools Facilities grant. The 30 minute lessons will be delivered in small groups based on swimming ability and will run on
