

Tealby School Strategic Plan Overview 2024-27

Aspire. Believe. Achieve.

*We want our pupils to move from us, confident, curious, articulate, creative, independent, and well-prepared for their next stage.
We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.*

Build powerful collaborative partnerships

Create a sustainable and innovative learning environment

Achieve educational excellence and inspire a love of learning

Our promise to families:

We will work with schools, businesses, and other groups in a structured way to give staff and children opportunities to learn from others. We will grow a stronger school community by recruiting more volunteers to support our work.

Our promise to families:

We will secure funding to make our school environment better for everyone, and ensure it is a place where our staff and children can flourish.

Our promise to families:

We will ensure our curriculum is challenging and meets the different needs of all our children. We will help children to develop good habits that increase their eagerness and drive to do well and introduce them to new technologies and digital skills which help them thrive in our changing world.

Our objectives:

Formalise collaborative partnerships to enhance professional development and achieve efficiencies in resourcing and staffing costs.

Build capacity by implementing outreach initiatives to increase the number of volunteers actively engaged with the school.

Our objectives:

Develop a long-term plan for the improvement and utilisation of the school's Grade II Listed estate.

Secure external grants or funding opportunities to support innovative projects that enhance teaching, learning, and the overall school environment.

Our objectives:

Harness emerging technologies and digital trends, promoting a culture of lifelong learning and adaptability in the digital age.

Ensure the provision of an ambitious curriculum which continues to meet the diverse needs of all children.

Develop and strengthen learning behaviours that enhance children's motivation and determination to succeed.
