'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

SATs week is now over and we want to say as a school how proud we are of all the children in Y6. You have worked so hard this week, well done! Have a great weekend, enjoy the sunshine and have fun!

Thank you Y6 parents and PTFA for providing the amazing SATs breakfasts this week – the children loved them.

Please can families with younger siblings make sure that children are supervised carefully on the playground during morning drop off and at the end of the day, particularly when they are entering the school playground on balance bikes and scooters.

Additionally, NO children should be playing on the grassy bank near the mobile.
Thank you for your support as always.

Who is feeling super proud this week...?

Elsie-Mae was pleased with her Gymnastic this – well done!

Thomas was inspired by this term's project and brought in his historical quest story writing – it was brilliant!

Roo has earned another award for football – fantastic work!

Molly has earned not one, but two special awards for swimming – well done indeed!

More medals have been won this week in Class

1:

Harry won his in football and Bea earned two for earning 2nd

place in her Dance Festival.

FREE SWIMMING LESSONS

Following a positive response to

the Easter swimming lessons, Market Rasen C of E Primary School and JB's Sports Coaching will be putting on sessions during May half term.

On Thursday 30th and Friday 31st May there will be 30-minute group swimming lessons. Lessons will run from 09:00 to 15:00 on both days.

The programme will provide a fantastic opportunity for all children in the local area to receive swimming lessons free of charge during the half term and will be suitable for primary school children of all ages and swimming ability, from beginner to competent. This programme is supported by the Opening Schools Facilities grant.

If you would like to book a place, please contact info@jbsportcoaching.co.uk or 01507 237227 with your preferred day and time and we will do our best to accommodate your request.

Earlier sessions will be for non-swimmers and beginners whilst the later times will be for the stronger swimmers.

Please note that only one 30-minute lesson can be booked per child per day, back-to-back lessons for the same child are not possible.
