

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

We have been working with our fantastic sports provider, JB Sports, on an exciting new initiative for our wrap-around provision after school. We want to improve the clubs we offer and we also want to extend the time of our provision to help our working parents.

To do this, we need your help! Please complete this survey so we can find out what our families need/want from our wraparound provision - then we can make this a reality!

This week we are proud because...

Roo has achieved incredible success at Beavers and has been awarded the Chief Scout's Bronze award!

Class 2 are proud of their compassionate response to their work about the park this week.

The Y5 Girls finished the opening round... won both matches and made it to the in the semi-final... Well done girls!
