

TEALBY PRIMARY SCHOOL

'Aspire, Believe, Achieve'

We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.

Summer Term Newsletter 11

Headteacher: Mrs Z Humberstone

Friday 5th July 2024

This week was all about transitions and thinking about all of the exciting things the new term will bring.

From taking their first primary steps, to dipping their toes in the waters of secondary school life, our

children are getting ready to embrace the new challenges that await them next term.

We have two more transition days next week, then we'll all be ready to say goodbye to this academic year and hello to the next one.

This week we are proud because...

Louis is so proud of his homework project this week – he designed his own hot air balloon and was able to describe his journey across the world using his amazing geographical knowledge! Wow!
